

ROWAN

The gift of hope for an orphan has been given in your name through the provision a ROWAN uniform, including: a shirt, shorts, socks and shoes!

As ROWAN continues to serve a growing number of orphans, it is time to design a special ROWAN uniform. Every week, ROWAN children gather for programs, yet it is hard to distinguish them from other children in the community. Additionally, each child owns only one or two outfits, most of which are worn and tattered.

The gift of a new school uniform for an orphan in Uganda has been made in your honor!
