

ROWAN (Rural Orphans & Widows AIDS Network) is joining hands with students across the USA to “Make Cents” towards sufferings that don’t “make sense”. Why are there children in the world that are unable to go to school? Why can’t children afford lunch at recess? Why do kids walk around with no shoes on their feet?

**Let’s do what we can to Make Cents that will contribute to these orphan’s lives!**

**Included in Kit:**

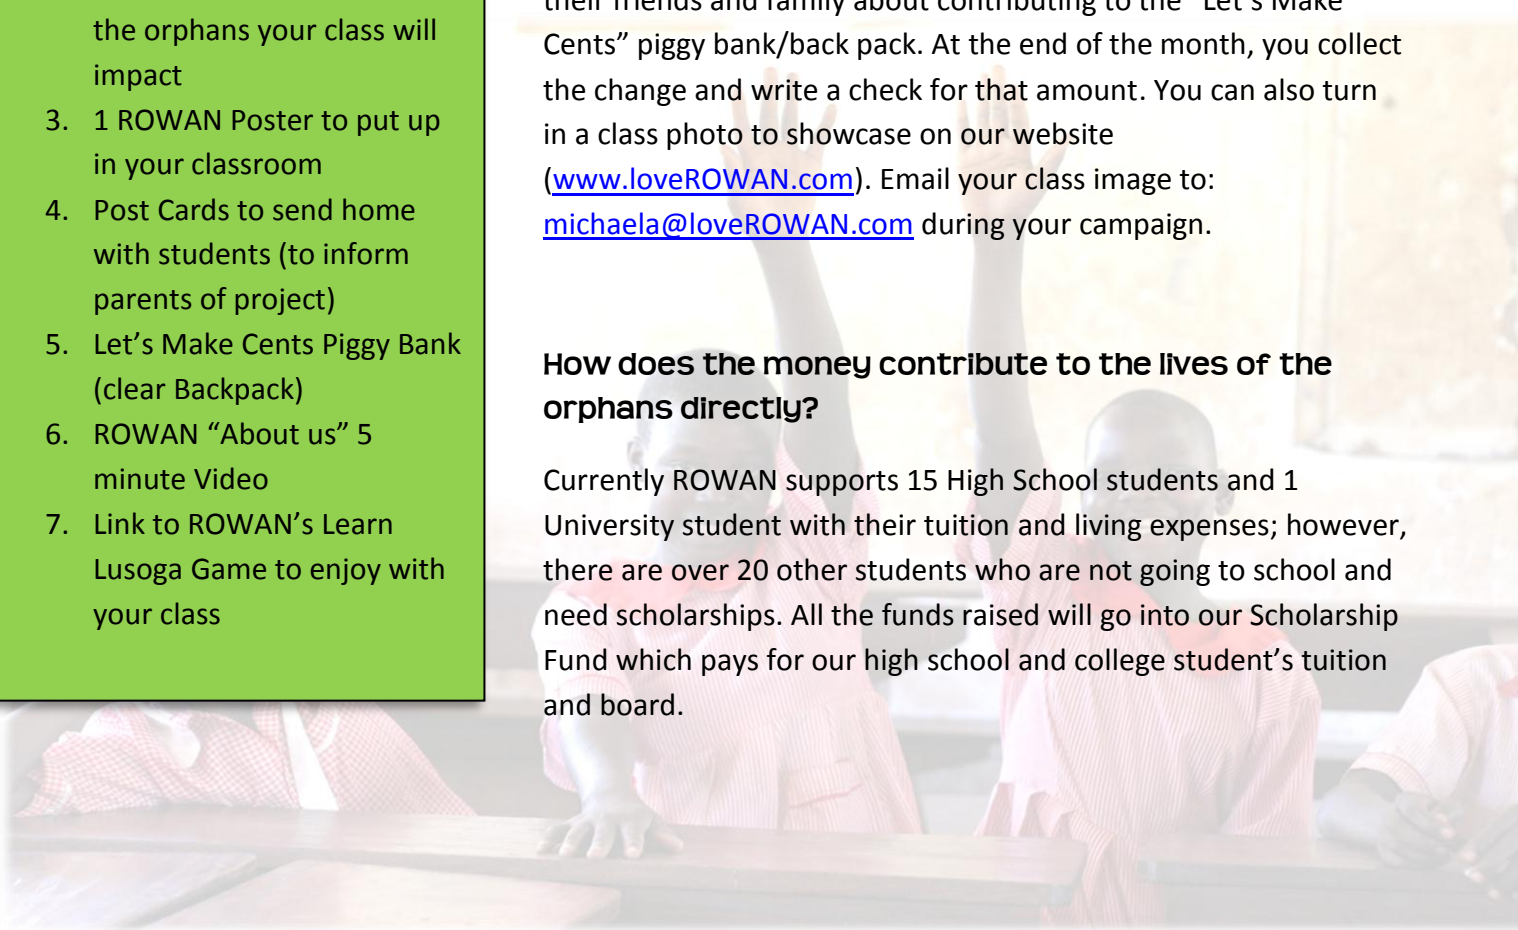

1. Instruction Sheet including Financial Goals and Objectives
2. Info sheet on ROWAN and the orphans your class will impact
3. 1 ROWAN Poster to put up in your classroom
4. Post Cards to send home with students (to inform parents of project)
5. Let’s Make Cents Piggy Bank (clear Backpack)
6. ROWAN “About us” 5 minute Video
7. Link to ROWAN’s Learn Lusoga Game to enjoy with your class

**What does my classroom need to do?**

Your class has an opportunity to make tangible contribution to the lives of children across the globe in Uganda, Africa. Your class has 30 days (our suggestion) to raise their financial goal that you set as a group. Together students bring in their change and talk with their friends and family about contributing to the “Let’s Make Cents” piggy bank/back pack. At the end of the month, you collect the change and write a check for that amount. You can also turn in a class photo to showcase on our website ([www.loveROWAN.com](http://www.loveROWAN.com)). Email your class image to: [michaela@loveROWAN.com](mailto:michaela@loveROWAN.com) during your campaign.

**How does the money contribute to the lives of the orphans directly?**

Currently ROWAN supports 15 High School students and 1 University student with their tuition and living expenses; however, there are over 20 other students who are not going to school and need scholarships. All the funds raised will go into our Scholarship Fund which pays for our high school and college student’s tuition and board.

## Lusoga Learning Center Game

ROWAN created a “Learn Lusoga” Game for your students to enjoy! Simply click on <http://www.loverowan.com/lusogagame/> and enjoy!

## What happens once we are finished with the Campaign?

When the class is finished with the 30 days, they will turn the piggy bank/back pack to ROWAN with the change or write a check for the amount raised to **ROWAN @ PO Box 1055 Acton, CA 93510**. ROWAN will be in touch with you about returning the back pack to the office in order to use them for future classes. Your class will also be our featured story on the ROWAN website that month! ROWAN challenges you to do this with your class every year!

## How can my students get directly connected to the orphans?

The funds raised in your back pack will go directly to the orphans who are in need of education scholarships. When ROWAN receives the donation, they will inform the class of which student(s) the supported and also will have the opportunity to write a letter to that student as a class. In return the students in Uganda will have the chance to write back and even send a photo or video!

## Financial Breakdown

Here are financial goals your class can aim towards:

- \$50 High School student Tuition and board for 1 trimester (3 trimester = 1 year)
- \$75 High School Student Tuition and board for 1 trimester with Uniform/books
- \$150 High School Student Tuition and board for ½ a year
- \$200 High School Student Tuition and board for ½ a year with Uniform/books
- \$300 High School Student Tuition and board for 1 full year with Uniform/books

## Fun suggestions for campaign

1. Create a competition between classes for who can raise the most funds, or who can raise the first \$100 dollars!
2. Have a Pizza Party at the end of the 30 days to celebrate their donation!
3. Play the ROWAN About Us Video (5 minutes) to the class to show them the village the children live in
4. Call ROWAN and arrange a guest speaker to come share about the children in ROWAN
5. Have an African month at school where you share African history and include this campaign
